JOB POSTING

Lander Medical Clinic is a 60-year-old Family Practice Clinic with two offices, Lander Medical Clinic in Lander Wyoming and Western Family Care located in Riverton Wyoming. The clinic is a large multi-specialty group practice with an emphasis in primary care. Our mission is to provide healthcare services to all individuals in our community with dignity, compassion and respect.

Lander Medical Clinic is currently hiring a **Part time or full time Phlebotomist to work in both Clinics, mostly in our Riverton Clinic.** This individual will be responsible for accurately collecting and processing appropriate patient samples for diagnosis, treatment, and prevention of disease.

Responsibilities will include but are not limited to greeting patients, explaining procedures and allay fears to encourage cooperation. The phlebotomist uses standard procedures for drawing blood, maintaining positive patient identification and recording the appropriate collection information. This individual will process, label and store patient specimens and samples using standard techniques and equipment while complying with all applicable safety procedures.

This position requires a poised, courteous, and customer service oriented individual with the ability to use discretion and good judgment. It also requires, strong computer skills, attention to detail, excellent documentation skills and follow-through. Phlebotomy Technician certificate required. Experience with Orchard preferred.

This position is typically Monday – Friday, 8am – 5pm. Pay is based on experience, certification, and education. The Clinic has a competitive benefits package for full time employees, which includes health insurance including dental and vision, paid time off, paid holidays, sick time, flexible spending accounts, health savings account, and a 401(k) with a match.
