

Join an established Multi Specialty Practice and be part of a great outdoor community!

Lander Medical Clinic and Western Family Care have a passion for patient care and community outreach. The Clinics are Physician owned and operated jointly, with only 25 miles between them. Both offices are multi-specialty practices, offering care by over 20 Doctors, Physician Assistants and Nurse Practitioners in the in following areas: Family Medicine, Internal Medicine, Obstetrics & Gynecology, Pediatrics, Neurology, Dietetics, and Urgent Care. With over 60 years of service and an emphasis on primary care, it is our mission to provide healthcare services to all individuals in our community with dignity, compassion and respect. We are very fortunate to have a unique culture where we are passionate about patient care and provide a great work life balance to encourage family time and adventure.

The Clinic is currently seeking **Physicians and Nurse Practitioners** interested in joining a growing practice located in foothills of the Wind River Mountains. In Wind River Country there is always an opportunity for all season outdoor recreation. We have world-class opportunities: from internationally known climbing in Sinks Canyon, trout fishing, hiking, camping and epic snowmobiling on the Continental Divide Trail and Togwotee Pass. Our school districts are second to none with engaged teachers, small class sizes, and new/updated facilities. Many of our residence visited for a weekend and ended up staying for a lifetime because of the rich history, quaint shops, great restaurants, and friendly, laid-back community. We are a true western town with ethnic and cultural diversity and a strong arts community.

Family Nurse Practitioner - Urgent Care

The Clinic is seeking a Nurse Practitioner to join the growing Urgent Care department. This Provider would see 20 – 30 patients per day and would diagnose and treat patients in an outpatient clinic with onsite lab and x-ray. Our goal is to address patient concerns and to offer an alternative to the long wait times and cost of an Emergency Room visit.

Physician - Family Practice

We are excited to add a physician to our growing Family Practice group. Our Family Practice team is comprised of 3 Family Practice Physicians, 2 Pediatric Physicians, 1 Nurse Practitioner and 2 Physician Assistants. Our focus is on providing personalized, collaborative, high quality care to patients of all ages.

Psychiatric Nurse Practitioner

This Provider would be responsible for managing patients of all ages in an out-patient setting by providing psychiatric services to patients with personality disorders, ADHD, Bipolar disorder, addiction and depression. This Provider will provide compassionate patient care while educating the patient and working with other providers to develop a comprehensive treatment plan.

Neurologist

The Clinic is looking for a board certified Neurologist to provide a broad range of Neurology services to patients in our community. This is an outpatient position in which the Provider will provide examinations to diagnose and develop treatment plans for patients.

Physician - Internal Medicine

The Clinic seeks an Internal Medicine trained Physician to join the team. We do more than treat medical conditions, we make the extra effort to educate, promote and encourage good health and wellness practices.

Standard Clinic hours are Monday – Friday 8:00 a.m. to 5:00 p.m. and Saturday 9:00 am – 1:00 pm. Providers usually work 4 – 4.5 days per week. Our team of like mind professionals work together to provide the best patient care and the work/life balance you've been looking for.

Benefits:

All of the above positions are eligible for the Clinic Benefits plan which includes medical, dental, and vision coverage, great 401(k) plan, long term disability, health savings and flexible spending plans, CME time off and CME allowance. Base pay will depend on experience. Work hours and call varies depending on the position.
